SCHOOL PRAYER

Give Me Strength

This is my prayer to thee, my lord -strike,

Strike at the root of penury in my heart.

Give me the strength lightly to bear my joys and sorrows.

Give me the strength to make my love fruitful in service.

Give me the strength never to disown the poor

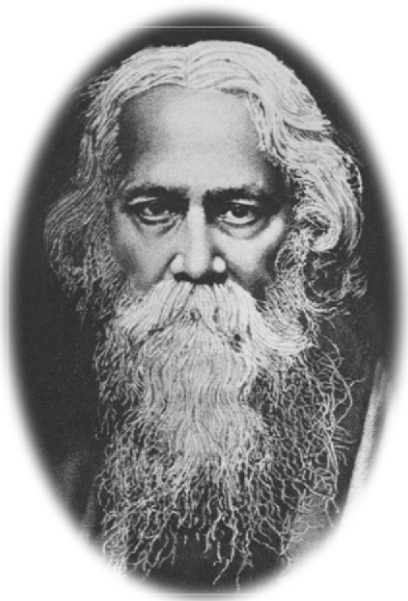

or bend my knees before insolent might.

Give me the strength to raise my mind high above daily trifles.

And give me the strength to surrender

my strength to thy will with love.

(The above passage is taken from “**GITANJALI**” written by **Rabindranath Tagore** for which he was awarded Nobel Prize)

At this juncture I take this opportunity to whole heartedly thank everyone who has been associated
with NPS since its inception in 2009.

Thank you all for your valuable advice, support, encouragement & motivation.

Without you, NPS wouldn't have grown to this stature.

I am sure that this great association will continue forever and together
we shall bring the child's dream true. We firmly believe that every child is unique.
We rededicate ourselves to uplift the standard of children to great heights in all walks of life.

Students take part in games and sports, drama, essay competition, song
and debate competitions etc. Catch them Young!

At NPS, we encourage the budding poets, scientists, writers, doctors,

We at NPS the teachers strive to be child centered and give equal importance to academics,
extracurricular and co curricular activities.

A sense of competitive spirit is encouraged in the individual, the hunger to excel is cultivated,
time and resource management is built, and perseverance is developed.

With rejuvenated enthusiasm & energy NPS shall provide the platform for the children

to guide them on the right path. We sow the seeds of good qualities in their minds
that harmonize with youthful dreams which come true as they grow in age.

PRINCIPAL'S MESSAGE

Unless we have a definite faith in the goal of our existence, and unless we believe, work for, and actually come to experience the goal positively as an ongoing factor, there is no hope of any plan becoming successful.

-SWAMI CHINMAYANANDA

I hope you have enjoyed the summer holidays with your parents and relatives.

I also hope you are relaxed, recharged and ready to start a new school year.

I am so enchanted that you are a part of NPS family.

I welcome and value your relationship and commitment to excellence in education, and I look forward to working with you and your ward in this wonderful learning community.

In NPS we are gearing up to another incredible and productive school year.

Our skilled and devoted staff is already planning and preparing for your ward.

We are indeed a joyous and thoughtful community with the common goals of providing holistic education aligned with National Education Policy (2020) promoting 21st Century Learning Skills.

The much awaited preparation towards competitive exams will be provided from class VIII onwards.

Rigorous training, systematic planning and hard work are the key factors to crack any competitive exams.

Foundation programme helps to perform better in competitive exams that mainly evaluate quantitative aptitude, verbal reasoning and logical reasoning. To enhance the learning skills we have introduced various extra-curricular activities that help the students to manage time, to develop organizational skills and improve self-confidence.

Students also learn to express themselves in a better way.

We are happy to inform you that we have started a YouTube channel in the name NPS Namakkal for our parents to help keep you informed about all the good things happening at NPS.

I also encourage you to participate in all the review meetings, school activities and special occasions conducted in our school premises.

I look forward to continuing to work with you this school year and many school years to come.

If you have any questions or concerns, please do not hesitate to contact me at **09500979703** between 4:00 pm and 6:00 pm or email me at **npsprincipal.nkl@gmail.com**
